Re: Nomination of Trustee Herring Jackson Ingham County Broadband Task Force

As you are aware, Ingham County is formulating a countywide Broadband Task Force. Each community is afforded an opportunity to request representation on the committee. The first step in the process is to submit a letter of interest. Supervisor Styka has submitted a letter on behalf of Meridian Township. Further, the Supervisor has nominated Trustee Herring Jackson to serve on the task force representing Meridian's 45,000 residents. It is my understanding that Trustee Herring Jackson is scheduled for an interview with county officials on February 1.

The following motion is proposed for Board consideration:

MOVE TO APPOINT TRUSTEE PATRICIA HERRING JACKSON TO SERVE AS MERIDIAN TOWNSHIP'S REPRESENTATIVE ON THE INGHAM COUNTY'S BROADBAND TASK FORCE. THE APPOINTMENT IS CONTINGENT ON THE APPROVAL OF INGHAM COUNTY OFFICIALS.
