

Central Elementary School Grades 1-4 Drop-off Line – August 24-December 2022

Due to the Okemos Road Bridge Project, motorists will not be able to enter or exit Central Elementary School at the Mount Hope/Okemos Rd intersection beginning on August 24. We created a new curb cut to the school on Okemos Rd and have modified the drop-off line for grades 1-4 as follows. These school drop-off plans are expected to remain in place until December as that is when the Ingham County Road Department's work on the northeast corner of the intersection is expected to be completed, which will allow the curb cut to and from the school at the Mount Hope/Okemos Rd intersection to reopen.
