

## Proctor Drain Maintenance and Repair Project Construction Notice July 5<sup>th</sup>, 2023

Dear East Lansing and Meridian Township Resident:

In continuation of the storm sewer work for our project, our contractor, Jackson Dirt Works, will be preparing for storm sewer construction between Timberlane Street and Blue Haven Court, installing storm sewer services along Timberlane Street from Melrose Ave to West Linden St and miscellaneous maintenance work on the City of East Lansing Property north of Timberlane Street.

They will be mobilizing equipment, and placing pipe and materials along the road right of way in these areas as soon as Friday July 7<sup>th</sup>. Work is starting the week of July 10<sup>th</sup> and will continue for the next several weeks, weather and other factors permitting. **See reverse side for details.**

Work should conclude this August.

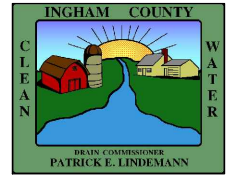

The work includes the replacement of storm sewer pipes, drainage structures, grading swales, and installing storm sewer services. Driveways to properties may be temporarily inaccessible during the daily work but temporary gravel drive access will be provided at the end of each day until final restoration occurs.

If you have any questions or concerns regarding this work, please contact Alex Kuehn or Randy Ramsey, at Civil Engineers, Inc., (269-962-5127). Thank you for your time and attention to this matter and it is a pleasure and an honor to serve you and the other citizens of Ingham County.
