Re: Mud Lake Outlet, Old English Estates Branch Drain Maintenance Project

Dear Property Owner:

You are receiving this letter because you own property in the area where the Mud Lake Outlet, Old English Estates Branch Drain Maintenance has been taking place.

Due to unforeseen delays beyond our control caused by mis-marked or unmarked underground utilities, the work which was originally scheduled to be completed by the end of July, will continue until approximately Friday, August 18th. I apologize for any added inconvenience caused by this extension.

I appreciate your patience throughout the construction of this important infrastructure maintenance project. Please know that my Office remains absolutely committed to doing everything possible to minimize the impact on you and your family. Drain Office and other Project staff continue to be available during all construction activities and they are also available anytime by phone and Internet (see contact information below).

It is an honor and a privilege to serve you and the other citizens of Ingham County. Please feel free to contact my staff or me if we can be of any assistance to you.

Respectfully yours,

A handwritten signature in blue ink that reads 'Patrick E. Lindemann'. The signature is fluid and cursive.

Patrick E. Lindemann
Ingham County Drain Commissioner
