May 10, 2024

Dear Meridian Residents,

On an annual basis, the Township Board establishes a series of top Goals and Objectives for the coming year. For 2023, one of those goals was to enhance neighborhood communication throughout the Township. The Board accomplished this, in part, by going on a 'Listening Session Tour' throughout the Township. We held meetings to update the public on various projects and goals and to receive input from the public to inform current and future goals and objectives.

The meetings were very successful and helped guide the Board's work since then. Additionally, they were well attended, often filling up the space we were meeting in. The Board wants to continue to build on this direct communication with the public and is bringing back Listening Sessions for 2024. These meetings continue to be an excellent opportunity to hear your thoughts and ideas for the future of Meridian Township while providing a brief update on the projects, programs, and events that make this community so special.

We want to hear from you!

All of the meetings will be held in the Town Hall Room in the Municipal Building, 5151 Marsh Road, Okemos, MI 48864. You are invited to attend the listening session held on Thursday, June 27, 2024 from 6:00-7:30 PM.

As always, the future of Meridian Township begins and ends with our 45,494 residents. It is vitally important that we hear from the public as much as possible as we continue to make Meridian Township a great place to live, work, and play for generations to come. We look forward to seeing you this June!

Sincerely,

Scott Hendrickson
Township Supervisor
