RE: Wilkshire Drain Public Scope Meeting

Dear Property Owner:

You are receiving this letter because you own property within the Wilkshire Drain Drainage District, located in Meridian Charter Township, Ingham County, Michigan.

As you may know, the Office of the Ingham County Drain Commissioner was petitioned for maintenance and improvements to this Drain. A Board of Determination, held at the Meridian Charter Township Hall on March 9, 2022, found that a maintenance and improvement project was indeed necessary.

Since the meeting of the Board of Determination, the Drainage District's engineer has been developing preliminary design concepts for the drain maintenance and improvement project. I am writing to invite you to a public scope meeting to receive your input on the engineer's preliminary designs. The meeting will be held on **Wednesday, May 29, 2024 at 6:30 pm at the Meridian Charter Township Hall, 5151 Marsh Road, Okemos, MI 48864.**

This meeting will not discuss apportionment issues – who might pay how much of the project. You will receive a separate notice for a Day of Review where assessments will be discussed. That will occur after the scope of the project is decided and bids are received to allow an exact computation of cost of the project.

The Engineer's PowerPoint describing the design issues will be posted on the Drain Commissioner's web site at dr.ingham.org as well as the Meridian Township web site at www.meridian.mi.us.

If you are unable to attend this meeting, or have any questions about it, please contact me or Deputy Drain Commissioner Paul Pratt at (517) 676-8395 and we will be happy to discuss this matter with you at any time at your convenience.

Your input on the Wilkshire Drain improvement design is valuable to me and to a successful project. I look forward to meeting with you on Wednesday, May 29th. Please know that I consider it an honor and a privilege serving you and the other citizens, businesses and municipalities of Ingham County.

Respectfully yours,

A handwritten signature in blue ink that reads 'Patrick E. Lindemann'. The signature is fluid and cursive, with the first name 'Patrick' being the most prominent.

Patrick E. Lindemann
Ingham County Drain Commissioner
