Dear Senior Center Member:

Meridian Township has been working hard to provide a new Meridian Senior Center, as the Chippewa Middle School, where the current Center is housed, is scheduled to be demolished in approximately four years. We would like to find a new home for our valued seniors.

A group of individuals, including the Coordinator of the Senior Center, have been meeting for 16 months to develop a plan.

We are proposing a new Community Center, incorporating a new Senior Center, in the Younkers building in the Meridian Mall. The Senior Center would provide dedicated space for seniors, as well as some shared space to be used by others later in the day.

We invite you to come to a meeting to show you the latest plan for a Community & Senior Center. We have incorporated suggestions in the plan made by your Advisory Board, as well as other seniors.

WHAT: Meridian Township Community & Senior Center: Review drawings and plans

WHEN: Tuesday, June 11 at 1:15 pm

WHERE: Meridian Senior Center (2050 Kinawa Drive, Okemos)

Please note: *The parking lot closest to the Senior Center will be closed due to repaving. Please park in the half circle on the south side of the school and enter through the south door of the school, or in the main parking lot and enter through the main (west) entrance.*

Please join us!

Sincerely,

Courtney Wisinski
Parks & Recreation Director
